

WEST VIRGINIA CODE: §31G-1-12

§31G-1-12. Grants.

In furtherance of the purposes of this article, the council is permitted to seek non-state funding and grants. The council may utilize funding and grants to support the responsibilities, initiatives and projects set forth in this article. The council may additionally disburse such monies to fund projects and initiatives in furtherance of the enhancement and expansion of broadband services in this state, and the other purposes of this article.
